VERSE 1

In the quiet **G** **Gsus**
In the stillness of the night
In the searching
When I'm looking for the light
Am7 **C**
When I'm broken
G **D**
And my heart has lost it's way
Am7 **C**
In the worry
G **D**
When I feel I'm far away

CHORUS 1

I will be still and know **C** **G**
You are with me, You are with me **D** **Em**
I will be still and know **C** **G**
You are for me, You are for me **D** **Em**
I will be still and know, You are God **C** **D** **G** **Gsus**

VERSE 2

In the waiting
When I'm listening for Your voice
In the calling
When I'm shouting through the noise
Every moment
Every mountain that I face
Every season
Every trial thrown my way

Be Still [G, 6/8]
