Intro, Tag, V1, C1, V2, C2, Outro

INTRO / TAG:

Take all of my life Lord, Take all of my life Lord
Take all of my life Lord, Take all of my life

VERSE 1:

From the rising of the sun, Your name will be praised
Even as the sun goes down, Blessed be Your name
Casting every care and burden at your feet, I surrender all to you

CHORUS:

All of my life, all of my life I give to you
All of my heart again is yours, I'm not holding back from trusting you
All that I have, I lay aside to follow you
Knowing you are my perfect source and knowing that only you restore
Take all of my life

VERSE 2:

As far as east is from the rest, Your love reaches still
Every mountain in my view, You will help me move
Casting unbelief and distrust at your feet, I surrender all to you

CHORUS 2:
